THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): Sir, I beg to move for leave to introduce a Bill further to amend the All-India Institute of Medical Sciences Act, 1956 and the Post-Graduate Institute of Medical Education and Research, Chandigarh, Act, 1966.

KUMARI SAROJ KHAPARDE: Sir, I introduce the Bill.

REFERENCE TO THE REPORTED INFLUX OF CHAKMA REFUGEES FROM BANGLADESH INTO TRIPURA

MR. CHAIRMAN. We shall now take up Special Mentions. Mr. Ahluwalia. Not here. Yes, Mr. Basumatari.

SHRI DHARANIDHAR BASUMATARI (Assam): Sir, I am very much grateful to you for giving me this opportunity to raise this Special Mention regarding the Chakma refugees.

[**The Deputy Chairman** in the Chair]

It is very unfortunate, Madam, that after the partition of the country, these people, these Chakmas, have been suffering quite a lot for a very very long time and they are exploited not only economically, but they are also exploited morally and exploited in other ways also and, at the same time, they are forcibly converted and, therefore, they are trying to take shelter in Tripura and other areas. A number of Chakmas have come into India and they should be rehabilitated in some other places which are suitable to them. They are all tribals and, at the same time, they are Buddhists and these people are very sensitive people. They are being forcibly converted and that is thy they come out from there. Therefore, Madam, I make a request to the Government through you to show sympathetic consideration to these people and to rehabilitate them and not try to send them back there only to be butchered. About 200 Chakmas have been killed by the army personnel on 9-3-1987 and it is an inhuman thing. This matter is a humane issue. We have now taken up the cause of the Tamils in Sri Lanka and we have been taking up the Sri Lankan Tamils' cause and every day we see the question being brought up by Members from Tamil Nadu and rightly so. I am also requesting them to join me so that they may also help me in requesting the Government to rehabilitate them and not to send them back only to be butchered there. Thank you, Madam.

THE DEPUTY CHAIRMAN. Now, Mrs. Asima Chatterjee. Not here. Yes, Mr. Saikia.
